MILLIE OPIE

August 18, 1926.

Neighbor of Mrs. Mills.

TESTIFIED (Page 623 et seq.):

Lived at 51 Carmen Street next door to Mrs. Mills and had a telephone on second floor (623).

Mrs. Mills for year and a half prior to the murders frequently used the telephone but did not call Dr. Hall very often, most calls coming from Dr. Hall (624-5).

Mrs. Mills did not use Opie phone Thursday, September 14, 1922 (625).

Dr. Hall called Mrs. Mills but when Mrs. Opie called Mrs. Mills she could not make her hear; subsequently, between seven and half past, she told Mrs. Mills of the call when she met her on George Street (626).

Mrs. Mills then went towards home and Mrs. Opie did not see her again (627).

Mrs. Opie has no other personal information (628).

When Mrs. Opie saw Mrs. Mills the latter wore no hat. Mrs. Mills had on the same dress as she did when murdered (629).

CROSS-EXAMINATION:

Dr. Hall telephoned and asked for Mrs. Mills between three and three-thirty (629).
